REQUEST FOR INTERIM STUDY PROPOSAL

DATE: 06/25/2025

BY REPRESENTATIVE(S):

Daniel Pae, Emily Gise

TOPIC OF THE PROPOSAL:

HB 1575 Implementation

EXPLANATORY COMMENTS ON THE SCOPE OF THE STUDY PROPOSAL:

This interim study will examine the implementation of HB 1575, which calls for a feasibility study on creating a more coordinated and efficient process for determining eligibility across programs like SNAP, TANF, Medicaid, WIC, LIHEAP, and childcare subsidies. As stewards of taxpayer dollars, it is essential that we ensure government programs operate efficiently, reduce duplication, and serve eligible Oklahomans without unnecessary bureaucracy. This study will evaluate progress on the feasibility study, consider cost-effective strategies, and identify any regulatory or technological barriers. Our goal is to improve how assistance is delivered while upholding accountability, promoting personal responsibility, and protecting the integrity of our safety net systems.
