Advising of his approval of **HB 2872** on May 29, 2024.

Advising of his veto of **HB 1979** on May 29, 2024. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **1979**

By: Hilbert of the House and Haste of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **1979**.

House Bill **1979** would add a host of new requirements for agreements between vision care providers and insurers, predominantly targeting prepaid vision plans. For example, the bill would prohibit prepaid vision plans from negotiating lower fees for uncovered services or materials, from negotiating lower than usual rates for covered services and materials provided by certain suppliers or labs, and from incentivizing patients to receive services at certain entities. In essence, House Bill **1979** would weaken the negotiating power of prepaid vision plans, strengthen the negotiating power of vision care providers, and suppress the very feature that makes prepaid vision plans different from vision health plans.

While I understand vision care providers and vision health plans may be frustrated by the negotiating power of prepaid vision plans, I do not believe the consumers in Oklahoma will be served by the government tipping the scale. I believe the long-term solution is less government intervention in the free market, not more.

For these reasons, I have vetoed Enrolled House Bill **1979**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt
