## MESSAGES FROM THE GOVERNOR

Advising of his approval of **HB 4486** on April 23, 2026.

Advising of his veto of **HB 3003** on April 27, 2026. The veto message reads as follows:

TO THE HONORABLE SPEAKER OF THE HOUSE  
AND MEMBERS OF THE OKLAHOMA HOUSE OF REPRESENTATIVES  
SECOND REGULAR SESSION OF THE  
SIXTIETH OKLAHOMA LEGISLATURE

ENROLLED HOUSE BILL NO. **3003**:

By: Kendrix of the House and Bergstrom of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **3003**.

This bill would extend the sunset for the Board of Chiropractic Examiners until July 1, 2031. Though I support licensing and oversight of these practitioners, sunset provisions are supposed to provide a regularly scheduled opportunity to review agencies and boards to ensure that government doesn't grow by default. They are meant to prompt accountability, not automatic renewals.

Other states have streamlined their licensing boards and agencies, and can serve as a model for Oklahoma. Utah consolidated the administration of licenses to a single state agency while maintaining subject matter expertise in the regulation of these occupations. A one-stop shop for license issuance and renewals. Tennessee moved their medical licensing boards under their Department of Health. It's time to consolidate medical licensing boards under one entity. This would save Oklahomans tens of millions in administrative costs alone.

Oklahomans elected me with a prerogative to streamline and reduce the size of government. I urge the Legislature to consolidate these professional licensing boards into a single entity to reduce bureaucracy for both practitioners and constituents.

For these reasons, I have vetoed Enrolled House Bill **3003**.

Advising of his veto of **HB 3004** on April 27, 2026. The veto message reads as follows:

TO THE HONORABLE SPEAKER OF THE HOUSE  
AND MEMBERS OF THE OKLAHOMA HOUSE OF REPRESENTATIVES  
SECOND REGULAR SESSION OF THE  
SIXTIETH OKLAHOMA LEGISLATURE

ENROLLED HOUSE BILL NO. **3004**:

By: Kendrix of the House and Bergstrom of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **3004**.

This bill would extend the sunset for the Board of Examiners in Optometry until July 1, 2031. Though I support licensing and oversight of these practitioners, sunset provisions are supposed to provide a regularly scheduled opportunity to review agencies and boards to ensure that government doesn't grow by default. They are meant to prompt accountability, not automatic renewals.

Advising of his veto of **HB 3007** on April 27, 2026. The veto message reads as follows:

TO THE HONORABLE SPEAKER OF THE HOUSE  
AND MEMBERS OF THE OKLAHOMA HOUSE OF REPRESENTATIVES  
SECOND REGULAR SESSION OF THE  
SIXTIETH OKLAHOMA LEGISLATURE

ENROLLED HOUSE BILL NO. **3007**:

By: Kendrix of the House and Bergstrom of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **3007**.

House Bill **3007** preserves unnecessary government bloat by extending the life of advisory councils whose functions can and should be absorbed within the existing agency structure. The Department of Environmental Quality can use existing personnel, subject matter experts, and agency liaisons to coordinate with stakeholders and perform the work of these advisory councils without another layer of government.

These advisory councils were never meant to exist indefinitely. They were created over 15 years ago with sunset dates to ensure periodic scrutiny and justification for their continued existence. Instead, the Legislature appears to have renewed them as a matter of course. When the sunset process fails to provide that scrutiny, I will.

This veto reflects a straightforward principle: government should be lean, efficient, and accountable.

For these reasons, I have vetoed Enrolled House Bill **3007**.
