STATE OF THE STATE

“Lieutenant Governor Lamb, statewide elected officials, Speaker McCall, President Pro Tem Schulz, members of the court, honorable senators and representatives, Cabinet members, tribal leaders, distinguished guests, and citizens of Oklahoma –

It is my honor to present to the Second Regular Session of the 56th Legislature my State of the State address and the final one of my administration.

I would like to take a brief moment to thank my fellow Oklahomans for the honor and the opportunity of a lifetime to serve as governor of this great state. My family and I have really loved meeting so many outstanding Oklahomans from all across the state.

Words cannot express how much I appreciate the sacrifices of my entire family, their love and support over the many years I have served the state – my loving husband, Wade, and our combined family of six children. Two of our children are here – Christina was just three years old when I sat at the back of this chamber over 27 years ago as a freshman legislator and my son, Price, was four months old. He’s out of state on a business trip. My stepson, Adam, and his wife, Elizabeth Christensen, are here with us today.

I also want to express my deep gratitude to my ‘extended family.’ That extended family includes three groups:

- My faithful prayer warriors;
- My Cabinet members and staff, past and present, and;
- My informal advisory board composed of dozens – maybe hundreds by now – of

Oklahomans who intercept me when I’m getting a Diet Coke at the On Cue on Northwest 23rd Street. They make sure I slow down to listen to their wisdom, their concerns and their common sense.

I’d also like to thank all the legislators and elected officials for all of your work. We’ve set many goals since 2011, accomplishing much, and still have more opportunities ahead of us. Legislators, it’s great to see you again. What has it been – a little more than a month since you’ve met here?

Seriously, I appreciate all of your time and efforts during the past year, and agreeing to come to my calls for two special sessions. I feel we are making progress. I understand how difficult and challenging this past year has been for you.

Tradition tempts me to take this opportunity to reflect on the past seven years on what has been my blessing to serve as governor of the state we all love. But today is not for yielding to tradition. Today is not to look over our shoulder, but to press on ahead for a better future.

And that, my friends, is the last you will hear from me today about the previous seven years. Let’s focus on the future and make sure we recognize and embrace the opportunity we have in front of us.

The constitution of the great state of Oklahoma makes it my duty today to provide a budget and to report on the health of the state. Neither duty, however, will be fulfilled by what I say here. The budget and the health of our state are not mine to determine. Instead, both will be decided by what this Legislature does in the next couple of weeks.

Let us make no mistake about it: This is an historic, defining moment before us. What we do as a unified group of people elected by the citizens of our state could be considered the moment in time that changed Oklahoma.

We are in a unique period as this legislative session begins with a concurrent special session. We also are at a special point in Oklahoma's journey because the prospect of a brighter path forward is so very near.

Only in Oklahoma, would a group of private business and community leaders care enough to work so tirelessly in a bipartisan manner to sculpt a series of budget and reform compromises that can bring new life into an entire state and put us on a better course.

Only in Oklahoma, can we gather in this House of the People to demonstrate yet again what we know is at the heart of Oklahoma. The basic truth is this: When the hardest challenges come, when a crisis threatens, that's when Oklahomans rise as one to show our state, our nation and the world the Oklahoma Standard.

Now, it is our solemn duty to raise the torch and show again that the Oklahoma Standard lives. And when the people say we can't do it, and we can't solve our budget crisis and give our teachers pay raise or we can't bring better accountability – let's show them we can!

Tradition also again tempts me now to talk you through the elements of the budget package you will be considering. Instead, the proposed budget is detailed in the materials provided to you. By now we are all familiar with the choice before us with the Step Up Oklahoma plan.

Yet, for all of us, there are parts of what is proposed that we may want to embrace, and there are parts that we may want to reject. Our goal this session should be to fix our chronic budget crisis and address important policy goals.

We know there are no perfect solutions or plans. We know there is no perfect legislation. But, we also know that compromise is at the very core of the budget on which you will vote. Just as compromise formed the foundation of America, I believe compromise can fortify the foundation of Oklahoma.

As we consider recurring revenue, let's be clear – it is not revenue alone that gets us to a place of budget stabilization.

We have to include reforms as well. My budget includes money for agency performance and accountability efforts, which will ensure public resources are being spent appropriately and help address public confidence in state governance.

Our state is at a crossroads. The actions we take will be a game-changer.

It is time to decide which future we want our families and children to have.

One path would be to continue year after year with an air of uncertainty that consumes our thoughts, drains our hopes – like the old saying of robbing Peter to pay Paul – then Paul runs out of cash. If we are to effect change, we can't keep doing the same old thing and expect a different result.

That path will lead to more chaos at the Capitol. We have to ask ourselves – What kind of future do we want to have? Do we find it acceptable to have four-day school weeks? Is it acceptable for Texas to steal our teachers and leave our classrooms short of teachers? We all know Oklahomans expect us to beat Texas – on and off the football field!

Do we just accept that without a budget fix, we will just cut provider rates and other essential health and human services for our most needy and vulnerable citizens? Do we believe the only solution to helping our mothers and fathers and sons and daughters and friends who are not violent, but need substance abuse treatment, is to warehouse them in prisons? Or will our state be more successful if we help them put their families back together, get jobs, and become taxpayers?

Do we think this is just how it is and it's the best Oklahoma can do? No. Absolutely not. We can and we must do better.

We need to dig down deep in our souls and recall the Oklahoma Standard of neighbor helping neighbor, as we did during the Murrah federal building tragedy. We need to restore the attitude that we are Oklahoma Strong. We can fix it – like we felt after the Moore tornadoes struck. In the face of crisis, Oklahomans come together and solve the problem.

The people of Oklahoma expect excellence and demand we solve our state's problems. That is why we were elected – to lead, roll up our sleeves, get to work, solve problems, and find solutions.

This is a defining moment for our state. We have two clear choices – We can continue down a path of sliding backwards, or the second path is to say 'Enough is enough! We can do better! We deserve better! Our children deserve better!'

This is a great opportunity to address ongoing challenges, to strengthen our state's image and brand.

As we know, close to 100 Oklahomans from across the state have developed a plan called Step Up Oklahoma to put our state on a fiscally stable path, bring about much-needed reform, give our teachers a \$5,000 pay raise, and break the gridlock. We don't want to be like Washington, D.C.

Because of the urgency of the situation, this outside group, in a very short time, has endorsed both reforms and revenue. They support ideas that are against their own financial interests in order to further our state's interest. They have come together to help this legislative body unite behind a plan to move Oklahoma forward.

They did it because they love Oklahoma. We love Oklahoma. Now it is time for us to step up, be courageous, do our jobs, and pass this plan!

Without passage of this plan, there are important policy initiatives that can't be advanced. Initiatives that each of you are passionate about, whether it's education, criminal justice reform, health and human services, transportation, or restructuring inefficient government entities.

All five former Oklahoma governors, who are still with us – Republican and Democrat - have endorsed this plan. They have shown us what it's like to put aside partisan differences and join together for the good of our state.

The time to act is now.

No more delaying. No more putting things off. No more kicking the can down the road. No more addressing long-term budget problems with short-term solutions.

We can do this, and we must do this now!

Governor George Nigh said the Step Up Oklahoma plan would 'help our state break free from the boom and bust cycle that harms all Oklahomans.'

He said the very nature of compromise means that Oklahomans on both sides of the aisle may not like everything in this plan, but we must come together as Oklahomans and move past partisan politics that stand in the way of progress.

Governor Frank Keating said: ‘Paralysis and dysfunction are not credible public policies. Revenue failures damage the credibility of the state. The civic and business leaders have thrown us a lifeline.’

I’ll conclude with some final thoughts because this is a time for action. We’ve talked too long with no permanent solution. In fact, when members of this Legislature cast votes on the budget in the days ahead, my prayer is you will remember your fellow Oklahomans’ dreams and hopes of a prosperous state.

Before you cast your vote, focus on the teacher who will see a \$5,000 salary increase not just as a way to pay bills, but as a validation of their vital vocation, and a business community that sees how committed we are to a strong, educated workforce.

Or perhaps, as you reach for the vote button, you may want to picture in your mind a caregiver who seeks the state’s help so an elderly mother or father can live out their final years with security and dignity

Or maybe – before your vote – think about the young college students in this chamber. Much of their future and that of an entire generation of Oklahomans rests with the decision you make when we appropriately fund education.

Remember the important policy initiatives we have implemented to be ‘smart on crime’ with treatment for those with substance or mental health issues and how it affects our state’s success.

Too few Oklahomans are getting the treatment they need for substance abuse and mental health issues, and are instead winding up in our criminal justice system.

We need to stop warehousing moms and dads, sons and daughters in prison when many just need substance abuse treatment.

We need to continue our focus, and can do so without jeopardizing public safety. There are bills proposed by the Oklahoma Justice Reform Task Force that are smart, data-driven solutions to safely and prudently fix our criminal justice system. Send them to me to sign.

Remember all the road and bridge construction you’ve seen across the state and the good image it gives Oklahoma when we invest in its infrastructure.

Remember our desire for safe homes and communities when we make decisions this session that may or may not affect our prison population, which is at 112 percent capacity.

Remember the great policy strides we’ve made to enact the Department of Human Services Pinnacle Plan to meet the needs of abused or abandoned children. We now have more safe, loving foster care homes. In fact, Oklahoma has the highest number of gains in foster care homes in the nation!

Ronald Reagan once reminded us America is too great for small dreams. Friends, Oklahomans also deserve more than small dreams. They need solutions to allow their big dreams to come true.

Before us is a rare opportunity to bring forth an enduring reality for a promising future. Oklahomans deserve nothing less.

Now is the time to summon courage.

Now is the time to invest.

And now is the time to do the people’s work.

Let’s make Oklahoma a special place where we and our children and their children choose to live.

May God guide you, may God bless you, and may God bless Oklahoma!”

Representative Proctor raised a point of inquiry as to whether the bill would be held for three (3) days prior to moving through the process if a member captures an amendment.

<p>*Pursuant to Title 69, Section 1521 of the Oklahoma Statutes, FY-2016 apportionments to the three transportation funds (less debt obligations) were reduced by 7% due to a statewide revenue failure. After final year-end closing, amounts attributed to the cuts that were found to be unnecessary to balancing the revenue failure were returned to the funds. An initial cut to agency budgets made during the FY-2017 fiscal year was fully restored after close of the year. The FY-2016 and FY-2017 amounts shown above reflect the final total amounts apportioned to each fund, respectively.</p>				
<p>Pursuant to Title 69, Section 1521 of the Oklahoma Statutes, a finding must be made to determine whether "expenditures from the ROADS Fund were used to enhance or supplant state funding for the Department of Transportation (ODOT)." Effective July 1, 2006, the State Transportation Fund, ODOT's authorized source of state funding, became a revolving fund. As shown above, the ROADS Fund provided an additional \$59.7 million for FY-2018 and, therefore, enhanced transportation funding.</p>

Upon unanimous consent request of Representative Pfeiffer, the prayer given by Reverend Walke on Tuesday, March 13, 2018, was ordered printed in full as follows:

“Gracious God,

Yesterday, we began the morning in silence, listening for You. It was a little uncomfortable, to be honest. We are not used to silence in this particular room. There is always someone making an argument, or just being argumentative. Always. To be fair, the women and men who sit at these desks have much to discuss. Policies and procedures.

Regulations and retirements. Mottos and money.

They have been entrusted with much, a condition which scripture tells us demands much. ‘To whom much has been given, much will be required; and from the one to whom much has been entrusted, even more will be demanded.’

The good news is that scripture also tells us that whoever gives even a cup of cold water to one of these little ones will keep their reward. Even a cup of cold water.

This does make us pause, though, Holy One. What happens when even a cup of cold water isn’t offered?

It is for this reason we pray for these decision-makers, these opportunity-creators, these way-makers, these Representatives to whom much has been entrusted - that wisdom and compassion to fill their arguments.

And that they don’t forget about the cup of cold water. Amen.

Luke 12:48: From everyone to whom much has been given, much will be required; and from the one to whom much has been entrusted, even more will be demanded.

Matthew 10:42: whoever gives even a cup of cold water to one of these little ones in the name of a disciple—truly I tell you, none of these will lose their reward.”

Representative Pfeiffer moved that when the clerk’s desk is clear, the House stand adjourned to reconvene at 9:30 a.m., Wednesday, March 14, 2018, which was the order.

Pursuant to the motion of Representative Pfeiffer, the House was adjourned at 3:50 p.m., to reconvene Wednesday, March 14, 2018, at 9:30 a.m.

MOTION

Upon unanimous consent request of Representative Strohm, the prayers given by Reverend Lori Walke on Monday, March 12 and Wednesday, March 14 were ordered printed in full as follows:

“Will you pray with me?

Gracious God, it’s Deadline Week and we know what that means: Representatives will make wild promises they won’t keep. Promises like ‘I’ll be brief’ or ‘I have just one point to make.’ Deadline Week comes with rising blood pressure, short tempers, frayed nerves, more talking than listening.

So before the posturing begins, before the Sergeant-at-Arms has to shush the gallery, before any amendments are offered, before another point of order is made, or more debate is heard, before anyone gets in the cue to speak for or against the measure, before the bell chimes to call for the vote, we will quiet ourselves - for we have heard it said that You speak not with earthquakes or fire, bravado or talking points, but in the sound of sheer silence - and now Holy One, we are listening.

May we be quick to listen, slow to speak, and slow to become angry as the deadline week takes its toll. Grant our legislators ears to hear, Holy One, for so many of us are counting on them. We pray in Your many names. Amen.”

“This little light of mine, I’m gonna let it shine!
This little light of mine, I’m gonna let it shine!
This little light of mine, I’m gonna let it shine!
Let it shine! Let it shine! Let it shine!

This is our hope, Holy One, as the Representatives in this room make decisions for our beloved state: that these women and men remember that they have one job, and that’s to make this corner of the earth a little brighter. Dark shadows threaten to overwhelm so many:

The 9,000 Oklahoma children in foster care, who need a safe and loving home.

The more than 7,500 Oklahomans who are waiting for in-home healthcare, long-term case management, therapy, vocational training, or a home health aide.

The 75,000 low-income Oklahomans, who need healthcare for their families.

Our teachers, who need money, not just the motto printed on it.

These Representatives, depending on how they light up the voting board, could turn this place into a city upon a hill.

So our prayer, Holy One, is that they do just that. Amen.”

Representative Henke moved that when the clerk’s desk is clear, the House stand adjourned to reconvene at 10:00 a.m., Thursday, March 15, 2018, which was the order.

Pursuant to the motion of Representative Henke, the House was adjourned at 7:15 p.m., to reconvene Thursday, March 15, 2018, at 10:00 a.m.

MOTION

Upon unanimous consent request of Representative Walke, the prayer given by Reverend Lori Walke on Thursday, March 15 were ordered printed in full as follows:

“The problem with the Reverend who is married to the Representative is that well, the rest of the Representatives have to put up with the Reverend who is married to the Representative. The good news is that when the Reverend is married to a Representative, she knows what it means for it to be deadline week. She knows what it means for it to be the *Thursday* of deadline week. She knows what it means when there is no floor agenda. She knows that instead of being preached to, you need to get to work. So as for the homily

I'm supposed to give, I'll just refer you to my prayers from Monday, Tuesday, and Wednesday, and instead of preaching, I'll give you a blessing. A blessing is a catch-all word for thanking and praising. This blessing is for the whole House. I hope the sergeants and legislative assistants are listening, for this is a blessing for you, too. This place cannot run without you. Before I begin I invite you to stand. Blessings are best received while standing.

A blessing for the House of Representatives:

Bless you, Sergeants-at-Arms, always polite, always helpful, always knowledgeable, never tardy. Exactly how we dream our Representatives will be. Bless you for keeping this place respectable, especially when session stretches into evening hours. We are grateful for your steady presence. Bless you.

Bless you legislative assistants, for being the frontline for our legislators. Bless you for staying on the phone with that last constituent, the one who made you guess the bill number they wanted to discuss, for carefully taking down the sixteen points they wanted to make, and faithfully passing on the message to the representative. Bless you for keeping our legislators scheduled, for tracking them down (for a vote, for a signature, for a phone call). Bless you for welcoming the public and keeping all things organized. May someone cater in your favorite lunch and may you have time to eat it before it gets cold.

Bless you, families of these Representatives, the ones who know the whole story, who know exactly how much time it takes to be a public servant; who know the good, the bad, and the ugly. Bless your kiddos, who are hoping you make it home in time for dinner, hoping you make it home in time for spring break, hoping you can get off the phone because it's bed time and they've already picked out the book for you to read to them. Bless your spouses, who take out the trash and pick up the drying cleaning, but who don't even get the leftovers from the fancy lobbyist dinner. Bless your families, for giving up their privacy, their normalcy, their evenings/weekends so that you Representatives can do the work of the people. May the work of the people actually get *done*, so that *all* of our families flourish.

Bless you, Representatives, as you shoulder the responsibility of public service. Bless you for taking questions, comments, complaints, and the every once in a while ever elusive compliment. Bless you, Representatives, and we mean it. Our prayers are not perfunctory. We *need* you to govern with grace, compassion, and courage. Bless you, Representatives, as you hold our future in your hands. Millions of Oklahomans depend on you and we are paying attention as never before. Listen more to the people, less to the lobbyists. Do the next right thing and be above moral reproach - the children are watching. We are all pulling for you, but know that we are also pulling for our teachers and our state employees. We are pulling for our neighbors and friends with disabilities, pulling for those who need mental health and substance abuse services, pulling for all those kiddos in foster care. We believe that all of us need all of us to make it. We trust that you do, too. All of us need all of us to make it. Bless you, Representatives.

Now, let's get to work. Amen."

POINT OF CLARIFICATION

Representative Bennett (Forrest) raised a point of clarification regarding the disposition of **SB 923**. Representative Bennett (Forrest) inquired as to where in House Rules it allows a presiding officer to ignore points of order, to which the Presiding Officer cited *Mason's Manual*, Section 180(2). Representative Bennett (Forrest) further asked if the House follows House Rules or *Mason's Manual*. The Presiding Officer stated that the presiding officer had referred to *Mason's Manual* because that was the specific question and he then cited House Rule 14.2

RULING OF THE CHAIR

The Presiding Officer responded to the point of order raised by Representative Walke regarding what authority the presiding officer has to determine if a member is being dilatory and is therefore out of order.

The Presiding Officer cited House Rule 9.2 which states in part “While in the Chamber, the presiding officer shall preserve order and decorum...” The Presiding Officer further stated that *Mason’s Manual* Sec. 180 defines what is dilatory. Part 1, states: “*Any regular parliamentary motion, when improperly used for the purpose of delaying or obstructing business, is a dilatory motion. ... By taking advantage of parliamentary tactic in this manner they could practically stop business.*” Part 2 states, “*When satisfied that a member is using parliamentary tactics to obstruct business, the presiding officer should not recognize the member, but should rule that person out of order.*”

The Presiding Officer addressed another specific question which was raised about whether an appeal is needed to not recognize a member. An appeal is not necessary. Part 2 further states, “*After having been sustained on appeal, the presiding officer need not entertain another appeal from the same member....*”

The Presiding Officer stated therefore, it is not necessary for the House of Representatives to sustain an appeal of the ruling of the chair for the presiding officer to not recognize members behaving in a dilatory manner.

Advising of her veto of **HB 3053** on April 24, 2018. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Regular Session, Fifty-sixth Oklahoma Legislature

Enrolled House Bill No. **3053**

By: Hilbert of the House and Paxton of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **3053**.

I am concerned how this will potentially open up the voting process for voter intimidation and propaganda electioneering. Before Oklahoma takes this step to allow wholesale publication of a voter's marked ballot, legislation should contain stronger provisions prohibiting or regulating voter intimidation. It should also provide for a stronger definition of voluntary disclosure, and prohibit direct or indirect communication to a voter suggesting

publication of a marked ballot by anyone who has authority over the voter in the voter's employment or in an organization in which the voter is a member.

By the Governor of the State of Oklahoma

/s/ Mary Fallin

Representative Echols moved that when the clerk's desk is clear, the House stand adjourned to reconvene at 10:00 a.m., Wednesday, April 25, 2018, which was the order.

Pursuant to the motion of Representative Echols, the House was adjourned at 5:40 p.m., to reconvene Wednesday, April 25, 2018, at 10:00 a.m.

MESSAGES FROM THE GOVERNOR

Advising of her approval of **HBs 1155, 2539, 2825, 2843, 3042, 3129, 3131, 3281** and **3318** on April 25, 2018.

Advising of her veto of **HB 3244** on April 25, 2018. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Session, Fifty-sixth Oklahoma Legislature

Enrolled House Bill No. **HB 3244**

By: Moore of the House and Brown of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **3244**.

While I am supportive of removing the assessments related to the Marketplace Stabilization Act (MSA), I am concerned this bill completely repeals the act. THE MSA was created just last year as a response to the high increases in insurance premiums as a result of the change in health care by the Affordable Care Act, also known as Obamacare. Since the current MSA has a sunset of June 6, 2019, I believe it is premature to eliminate the act. Full elimination of the MSA potentially exposes our citizens to higher insurance premiums and takes away an option to stabilize the insurance market.

By the Governor of the State of Oklahoma

Representative Stone raised a point of order that the **CCR** included language which had been considered in the form of an amendment which had been tabled and therefore constituted final action.

The Presiding Officer ruled that a **CCR** was under consideration and not an amendment and as such, ruled the point not well taken.

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Regular Session, Fifty-sixth Oklahoma Legislature

Enrolled House Bill No. **2661**

By: Hoskin of the House and Sparks of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **2661**.

I believe combining a new Native American Day designation with the current Columbus Day holiday could be viewed as an intentional attempt to diminish the long-standing support of November being proclaimed annually as Native American Heritage Month in Oklahoma, and the third Monday in November as “Oklahoma Native American Day” as defined in 25 O.S. 2011, Section 90.12.

By the Governor of the State of Oklahoma

/s/ Mary Fallin

REMARKS

Upon unanimous consent request of Representative Strohm, the remarks made by Pastor Joel Harder on May 3, 2018, were ordered printed in full as follows:

“Heavenly Father: Thank you for the gift of this day and to gather in this place. Lord, we thank you for the gift of rain to refresh our land, and we respect the incredible power of the weather. Lord, for those suffering damage or loss, we ask for you to provide for them. And we pray for safety and protection in the days and weeks ahead. This time of year in our state, we have regular reminders of the incomprehensible creative power contained within these three words: ‘let there be’.

At your word the universe – in all its awesome and destructive power – moved from chaos to order, and you called it good. Power held in perfect control, integrity and peace reigned, but in a mystery we cannot fully comprehend, deep within the human heart and in the obvious evidence of your sovereignty, we rebelled, against You God, and peace was shattered.

God, on this National Day of Prayer, across our great country, in statehouses like ours and in the nation’s capital, people are praying for UNITY. That is the theme ascribed to this day of prayer.

Lord, we join in their prayer and petition your throne of grace to do a mighty work of reconciliation in our land. Lord, teach us what it will actually take to achieve unity. More is required of each of us than we know. And what is it that we must bring to this effort?

Leadership, yes, we ask for leaders who inspire us toward unity.

Vision, for without it we are scattered.

Justice, for there can be no real unity where people suffer unjustly.

Mercy, for we are often blind to the depth of our own part in division.

But what is actually required of us to attain true unity is a radical humility beyond our wildest imagination. To do absolutely nothing out of selfish ambition or vain conceit. To look first to the interest of others.

And if these words hang hollow in this chamber, it’s not difficult to see why. The division in our nation is very real. People are bitterly divided and disdainful of anyone who does not agree with them, typically in matters that are not as important as they think. But there are real divisions, rooted in deep wounds of offense on one side, the other, or both. We are divided by politics, by economics, by race, by religion. Families are broken, fathers have walked out on their sons and daughters. Depression and anxiety plague our generation – people are literally warring within their own soul. Can unity really come?

But all these divisions pale in comparison to the greatest division in all of the universe. They are insignificant, of little consequence compared to the break in unity between humanity of God. What is impossible is for sinful humanity to approach Holy God: For who can ascend Your holy hill? No one, no man or woman, with man it is impossible... BUT GOD, with God all things are possible. God demonstrated radical humility, beyond our wildest imagination. Leadership through being a servant of all, vision of a holy, unified, redeemed humanity living in peace. Justice for every offense ever committed, and mercy through the forgiveness of our sins.

In Jesus, the most impossible unity of all is made possible. We are united with God. So what then of every other division wreaking havoc in communities across our nation? God, you are seated on the throne saying, behold, I am making all things new... The awesome power of God is again on display with three words: let there be.

Let there be forgiveness.

Let there be grace.

Let there be humility.

Let there be love.

Let there be unity.”

Advising of her approval of **HB 2177** on May 11, 2018.

Advising of her veto of **HB 1401** on May 11, 2018. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Session, Fifty-sixth Oklahoma Legislature

Enrolled House Bill No. **1401**

By: Montgomery, et al. of the House and Sparks of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1401**.

While I believe that **HB 1401** is well intentioned, it raises some significant concerns. Under **HB 1401**, 5% of all receipts from gross production taxes on oil and gas is to be placed in a "Vision Fund" that will be invested by the State Treasurer. The amount deposited is to increase by 0.2% each subsequent year but sets no cap on the percentage of total actual revenue that is to be diverted away from current apportionments and general revenue into the fund. Presumably, by not having a cap in place, future legislatures would see an ever increasing amount of monies being diverted into this fund and away from other funds, like the Energy Stabilization Fund, which currently receive monies from gross production taxes. Lastly, up to 5% of the monies in the fund may be used for debt service payments by local counties, municipalities, authorities, commissions, political subdivisions, or any other governmental entities within the State of Oklahoma. The state should not be paying for obligations that are not its own.

I appreciate the authors trying to find a creative solution to help the financial stability of the state. However, due to the potential problems that would inevitably arise from the bill as written, I have chosen to veto **HB 1401**.

By the Governor of the State of Oklahoma
/s/ Mary Fallin

Advising of her veto of **HB 1568** on May 11, 2018. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
Second Session, Fifty-sixth Oklahoma Legislature

Enrolled House Bill No. **1568**

By: Echols, et al. of the House and Thompson of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1568**.

HB 1568 is an inappropriate attempt to take an existing economic incentive and change it to a cash payment. The challenges we have experienced over the last several years managing the cost and cash outlay of the refundability of wind tax credits gives pause to acting on this measure. Under the Investment Tax Credit program, a credit may only be exercised when the company owning the credit has tax liability. This change would allow current credits to become cash payments.

While there appears to be an attempt to build safeguards into the program, there are no objective standards and no metrics for adjudicating performance.
