MESSAGES FROM THE GOVERNOR

Advising of his veto of **HB 1612** on May 15, 2023. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **1612**

By: Worthen of the House and Paxton of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **1612**.

Enrolled House Bill **1612** would significantly expand the types of crimes that would qualify as an "85% crime" under Oklahoma law. The Oklahoma legislature, beginning in 2018, has prioritized the establishment of a felony classification system in Oklahoma, which most states already have. Since taking office in 2019, I have repeatedly advocated for system-wide reform, including a felony classification system that provides certainty, accountability, and fairness. There is currently legislation being negotiated between all interested parties that would do just that.

While we must prioritize public safety and protecting Oklahomans, simply continuing to piecemeal together Oklahoma's criminal code is not in the best interest of our state or its citizens.

For these reasons, I have vetoed Enrolled House Bill **1612**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2263** on May 19, 2023. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **2263**

By: Sterling of the House and Rogers of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **2263**.

The powers of the government of this State are divided by Article IV of the Oklahoma Constitution into three separate departments, which shall not "exercise the powers properly belonging to either of the others." Each department should, in other words, be kept independent, and the acts of each shall not be controlled by or subjected, directly or indirectly, to the coercive influences of either of the other departments.

Enrolled House Bill **2263** would shift the lion's share of appointments to the Oklahoma Turnpike Authority, a non-appropriated entity, from the executive to legislative departments. Such a shift—from six members appointed by the Governor to two members appointed by the Governor and four members appointed by legislative leadership—would codify legislative superiority and control over the operation of an executive branch agency and would enable the Legislature to exercise unconstitutionally coercive influence over the executive department.

Under Oklahoma law, the Oklahoma Turnpike Authority engages in exclusively executive functions, most predominantly to implement turnpike projects authorized by the Legislature.

While the Legislature has the authority to make law, it does not have the power to carry it out or to appoint agents charged with the duty of enforcement—a purely executive function. Simply put, although the Legislature declares policy, it cannot oversee the execution of the policy it declares.

If House Bill **2263** were to become law, it would be unconstitutional, thereby causing the Authority's makeup and decisions to be subject to legitimate legal challenges. Any argument or advice to the contrary should be seen for what it is—a well paved road to a legal dead end.

For these reasons, I have vetoed Enrolled House Bill **2263**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 1236** on May 22, 2023. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **1236**

By: McCall of the House and McCortney of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **1236**.

Enrolled House Bill **1236** would amend the Oklahoma Citizens Participation Act, which is designed to deter lawsuits intended to chill Oklahomans' right of free speech, right to petition and right of association. Currently, defendants who secure dismissal of lawsuits under the Act are entitled to mandatory costs, attorney fees, other expenses, and potential sanctions. The Bill would make discretionary what is now mandatory.

Such a change would undermine the Act's purpose, ensuring a greater frequency of frivolous lawsuits against Oklahomans exercising free speech. Although I would support an amendment providing for mandatory attorney fees only when a strategic lawsuit against public participation (SLAPP) is found to be frivolous, this amendment would go too far in relaxing a needed deterrent.

For these reasons, I have vetoed Enrolled House Bill **1236**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2255** on May 22, 2023. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **2255**

By: Burns of the House and Haste of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **2255**.

Enrolled House Bill **2255** is an omnibus license plate bill that would create six new official special license plates, including one designed for "any person wishing to demonstrate support for the University of Kansas."

Unfortunately, I do not have the authority to line-item veto this bill. If I did, I would have signed this bill and struck only the language authorizing the design and issuance of an official plate supporting another state's public university. If a person wishes to demonstrate support for an out-of-state college or university, I encourage that person to purchase a license plate frame online or at his or her sporting goods store of choice.

No offense to our sister state to the north, but the State of Oklahoma doesn't need to be in the PR business for the University of Kansas.

For these reasons, I have vetoed Enrolled House Bill **2255**.

By the Governor of the State of Oklahoma

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-ninth Oklahoma Legislature

Enrolled House Bill No. **2747**

By: Miller of the House and Haste of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed House Bill **2747**.

Like most Oklahomans, I've watched family members and loved ones suffer the effects of Alzheimer's disease and related dementia, so I take this degenerative disease—and society's response to it—seriously.

That said, I don't believe this Bill, which among other things creates revolving funds in the State Treasury for the purpose of awarding grants to certain nonprofits, and mandates that the Department of Health hire or maintain dementia-trained workers and compile and publish a State Alzheimer's plan, will move the needle on disease knowledge, reducing risk, or developing potential treatments. Plus, the Department of Health's Chronic Disease Prevention Service is already engaged in this space and oversees several programs through a cooperative agreement with the Centers for Disease Control.

By contrast, the federal government, through the National Institutes of Health, is addressing each of these issues in a coordinated response backed by nearly \$4 billion of annual Alzheimer's and dementia research funding.

For these reasons, I have vetoed House Bill **2747**.

MESSAGES FROM THE GOVERNOR

Advising of his veto of **HB 1005** on May 31, 2023. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Extraordinary Session of the Fifty-ninth Oklahoma Legislature

ENROLLED HOUSE BILL NO. 1005:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill **1005**.

In clear violation of Oklahoma's fundamental and statutory law, Enrolled House Bill **1005** purports to extend a single motor vehicle licensing compact without any regard for whether the decade old compact is a fair deal for the State moving forward. Both because this Bill amounts to a circumvention of the executive's authority to negotiate compacts and because it is not in the State's best interests, I must veto it.

Even if terms in the Bill were fair for the State, this Bill has other problems, too.

First, this Bill is a byproduct of a body purporting to sit simultaneously in special and regular session. While a special session may have run concurrently with a regular session before; it does not mean such an occurrence is constitutional.

Second, this Bill is unconstitutional pursuant to Article 5, Section 27A because motor vehicle registration and licensing compacts—or for that matter, compacts at all—are not specifically identified in the Call, which is limited "to the consideration of" matters involving the appropriation of funds; the implementation and administration of budget-related funds; and the expenditure of American Rescue Plan Act of 2021 funds.

For these reasons, among others, I have vetoed Enrolled House Bill **1005**.

EXECUTIVE ORDER

The Governor's Executive Order 2023-23 calling the Fifty-ninth Legislature into Second Extraordinary Session was read at length as follows:

To the Honorable Members of the Oklahoma House of Representatives and the Honorable Members of the Oklahoma State Senate:

I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the authority vested in me by Art. VI, § 7 of the Oklahoma Constitution, hereby convoke an Extraordinary Session of the Fifty-Ninth Legislature to convene at the State Capitol on October 3, 2023. The Legislature shall only act:

1. To create a statutory trigger which automatically eliminates any tax assessed by the state or its political subdivisions if that same tax is found by a state or federal court to be inapplicable to any individual by virtue of their race, heritage, or political classification.
2. To deliver Oklahomans a personal state income tax cut—one that puts the state on a pathway to zero personal state income taxes.
3. To increase transparency in the legislative budget making process. This shall include, without limitation, the following:
 - a. a requirement that no General Appropriations Bill or spending limits bill shall be acted upon by the legislature, or any committee thereof, without first being made publicly available for consideration in its final form for at least three legislative days;
 - b. provide statutory definitions for recurring revenue, non-recurring revenue, recurring expense, and non-recurring expense;
 - c. require the designation of expenditure type and revenue source as recurring or non-recurring in any proposed legislation that involves the expenditure of any revenue, regardless of source;
 - d. require any legislatively directed spending be explicitly included in any General Appropriations Bill or spending limits bill; and
 - e. prohibit any member or employee of the Legislature from directly or indirectly attempting to influence agency expenditures outside of the legislative process.

Copies of this Executive Order shall be distributed to every member of the Oklahoma House of Representatives, every member of the Oklahoma State Senate, the Clerk of the House of Representatives, the Secretary of the Senate, and the Director of the Office of Management and Enterprise Services.
